### About the Kids Eat Right Hunger in Our Community. What We Can Do. Toolkit:

- The intended use of the Hunger in Our Community toolkit is for Kids Eat Right Campaign Members to perform education sessions in their communities.
- The Hunger in Our Community toolkit contains two different education sessions targeted toward different audiences (one for adults, one for teens), complete with PowerPoint slides with leader notes for a 20-minute presentation, a suggested 10-minute activity, and one suggested handout for participants.
- Each mini-grant recipient will agree to present two education sessions from the Hunger in Our Community toolkit to at least 10 people at each presentation. The same presentation can be completed with two different audiences, or two different presentations can be completed.
- Participants can evaluate the education sessions through an online survey printed on the toolkit handout.
- All presentations must be completed between March 11 and May 1, 2013.

### Terms

- To be eligible for a Kids Eat Right mini-grant, applicants must be a member of the Academy of Nutrition and Dietetics and a Kids Eat Right Campaign Member.
- Grantees will be selected by The Academy Foundation. Selected mini-grantees will be notified by March 11, 2013.
- Each mini-grant recipient will agree to present two education sessions from the Hunger in Our Community Kids Eat Right toolkit to at least 10 people at each presentation. The same presentation can be completed with two different audiences, or two different presentations can be completed.
- The presentations must be completed between March 11 and May 1, 2013.
- Upon completion of the two presentations, mini-grantees must complete a brief online report no later than May 1, 2013. The online report requests information about the number of participants who attended, and comments about the presentations and the toolkits.
- By mid-June 2013, after successful completion of the presentations and the online grant report, you will receive a check for \$200.
- Dietetic students and/or interns are eligible to apply for the mini-grant who have an instructor or preceptor sign off on the application below and agree to directly supervise a dietetic intern or undergraduate student through the preparation and delivery of the presentation and ensure a top-quality presentation. The payment for the mini-grant will be made out to the dietetic student and/or intern.

☐ I have read and agree to the terms above.
